

The city's hot and damp...

Dear Friend,

As the temperature rises, the countdown has officially begun for Camp.

There is excitement in the air! As we were going to print, we were challenged again to win \$50,000 as a matching gift. This is a great blessing again this year!

For the past eight years, we have won the match thanks to you and to all who care for children in need.

I ask you to join us in giving children in all our summer programs a great experience. Your donation allows us to provide children with the chance to make new friends and deepen their faith with fun activities and the opportunity to learn from an outstanding group of counselors.

I have seen the rewarding effects that a safe and fun-filled summer has upon one child at a time.

I do not forget how you have blessed us and the children in the past. I look forward to hearing from you. Thank you and God bless you.
